

Nylofor® Twilfix post

Square posts, polyester coated on galvanised with a special fixing system. To be used with all Nylofor panels.

Benefits

- Universal post designed to fit all our low to medium security panels
- Classic square design
- Posts include stepping holes for installations on sloped ground; extra holes provide 100mm option

Profile

- Tubular post with square cross section 60 x 60 x 1.5mm
- M8 inserts and fixators for the fixation to the front of the post
- Standard plastic post cap with the Betafence logo
- Separate slide-in base plates available or welded plates possible on request
- I/V: 6.68cm³

Accessories/options

- Polyamide fixators
- Stainless steel bolts
- Bent arm
- Base plate
- Concrete plate holder
- Corner clamps

Coating technique

Galvanised inside and outside (275g/m² – both sides combined) and polyester plastic coated (minimum 60 microns).

Colours

Green RAL 6005, Black RAL 9005, White RAL 9010 and Anthracite RAL 7016. Other colours are available on request.
